

Quality accommodation plentiful this summer on the Nature Coast

The Kapiti Horowhenua region is forming a reputation for having quality accommodation, as seen in the latest update from Qualmark.

With 17 properties now achieving the independent grading, including 9 achieving higher than a 4 star and the Kapiti Gateway Motel in Waikanae achieving an environmental grade, accommodation in the region is well branded and is providing a quality experience.

Nature Coast Enterprise Regional Tourism manager Chris Barber says: “it’s a wonderful achievement for the region to see so many of our accommodation products achieving such a high Qualmark grade. International visitors, especially, look for quality places to stay and to have this many on the coast, means that our region will be noticed”.

Qualmark New Zealand is New Zealand tourism's official quality agency. It is a government and private sector partnership between Tourism New Zealand and New Zealand Automobile Association. Qualmark licenses professional and trustworthy New Zealand tourism businesses to use the Qualmark 'tourism's official quality mark' to help international and domestic travellers select places to stay, things to do and ways to get around.

Qualmark was established in 1993 and is backed by leading tourism industry associations. At Qualmark, we have a fully integrated system for assessing all accommodation, transport, activities and services to ensure that they deliver world-class visitor experiences.
